M/L-10

MULTI-FIRE LAPAROSCOPIC CLIP APPLIER

The M/L-10 Clip Applier is a reusable multi-fire device with a high-quality reusable handle. It employs disposable cartridges that contain 10 or 19 implant-grade titanium clips, the last two of which are color-coded.

Procedure Kit

Ligating Clip Cartridge

- Unique cross pattern design
- 2 to 5 mm vessel/cystic duct ligation capability
- Surgical-grade titanium
- Tips-first closure sequence for maximum ligating capability and dependability
- Consistent, uniform closure
